Honors Course Proposal Deadline

The Fort Hays State University Honors College is now accepting Honors Course Proposals for the Fall 2018 Academic Semester.

The Honors College is looking for exceptional faculty to teach courses to outstanding students on campus. Participating in one of the university's Programs of Distinction is a chance to expand learning opportunities for students, as well as experiment with new strategies in and out of the classroom.

While FHSU strives for academic excellence in all classes, at the heart of a successful honors program is the unique interaction between teacher and student made possible by the opportunities in an honors course. Intellectual challenge is supported by pedagogy that stimulates students to think about topics in new ways, explore subject matter in greater depth or breadth, and gain first-hand exposure to issues through experiential learning. Quality is valued over quantity through rigorous and deeper course work that provides opportunities not available in tradition courses. Interactivity is not only gratifying in an honors course, but central to its success whether a debate, discussion, or connection outside the classroom.

The deadline for all Honors course proposals is **October 6th, 2017**. The application form, as well as more information about the process and examples, can be found at <https://www.fhsu.edu/honors/Resources-and-Forms/>. All applications can be emailed to Jensen Scheele, Honors College Administrative Specialist, at jnscheele@fhsu.edu.

If you have any questions about Honors Courses, please feel free to contact Dr. Carol Patrick at clpatrick@fhsu.edu or 785-628-4406.

A Great Way to Honor a Mother, Teacher, Wife, Mentor, Daughter or Friend

Honor a special woman by having her name engraved on a permanent brick in the Contemplation Garden on Fort Hays State University's campus.

Proceeds will be placed in a scholarship fund for women.

\$100 for a single paver (4" X 8") brick
Up to 3 lines of 18 characters (including spaces and punctuation)

\$500 for a double paver (8" X 8") brick
Up to 6 lines of 18 characters (including spaces and punctuation)

The deadline to purchase a brick is October 20, 2017.

For more information regarding the garden, please visit http://foundation.fhsu.edu/donate_garden, call the FHSU Foundation at 785-628-5620 or e-mail foundation@fhsu.edu.

Double the Support for Your Department or Campus Organization

On **Monday, October 23, at 8:00am**, your FHSU Foundation will kick off their annual "I Fed the Tiger" online matching gift campaign. Thanks to generous sponsors, gifts to your department or campus organization will be doubled while the matching funds last! That's right, each gift will be matched dollar-for-dollar up to \$100!

This is a great fundraising opportunity for academic departments, campus organizations, athletic teams, etc. to gain additional support. With that said, your FHSU Foundation would be happy to assist you in the process of marketing this online matching gift campaign to your alum, organization members, friends and family.

*If your area of campus is interested in participating, and would like to learn more, please contact Schuyler Coates prior to **Friday, September 30**.*

Silent No More Awareness Walk – Speakers

The Women's Leadership Project is looking for survivors of domestic violence or sexual assault who would be willing to share their stories at an event on the first Monday in October (10/2).

This event will begin with a walk around the quad discussing the "red flags" that can exist in relationships, after which the survivors will share their stories. Our hope is to educate students about how these things can and do happen; in our towns, neighborhoods, and families.

If you are a survivor and would willing to share your story, or have any questions, please email us at womensleadershipproject@fhsu.edu or call us at 768-628-4312.

New Testing Center Request Forms

The new testing service at TILT is open and ready for you to either drop off your tests for scanning or try our DIY scanning option. We are continually working to enhance both the drop off and DIY scanning experiences. In the next week, we will be providing a detailed step-by-step guide located directly next to the scanning station—along with detailed descriptions of each available report—to improve the DIY scanning process.

Additionally, to provide faculty a greater variety of test results, we have revised the Scanning Request form for drop off scanning. If you have older forms that you prefer to use, you may continue to use them as well. The new forms merely allow us to provide more unique reports. You can choose between electronic or printed reports, if you prefer reports as Excel or PDF, and even provide additional notes or preferences on how you wish your reports to be processed.

The new form will be available for pick up at the testing center or download at this URL: [New Scanning Request Form](#)

We are happy to answer any of your questions regarding both DIY and drop off testing and always welcome feedback to enhance your experience.

RAINN Day

The Women's Leadership Project, in partnership with The University Police Department and the Kelly Center, will hold our annual RAINN Day event **Thursday, September 21, from 10:30am – 1:00pm**, on the Memorial Union Patio.

In addition to supporting the Rape and Incest National Network, this event is to familiarize FHSU students with their rights and resources provided by the university in the instance of sexual assault or domestic violence. Students can also take a pledge against sexual assault and domestic violence.

If you have any questions, please contact us at womensleadershipproject@fhsu.edu or call us at 768-628-4312.

Fall Adjunct Training Classes

Adjunct Faculty: Interested in some training, as well as a raise in pay (if eligible)?

In Fall 2017, we will again be offering our two training classes for VC adjuncts:

- **Foundations of Online Teaching:** for new adjuncts (as determined by your chair)
- **Advanced Concepts in Online Teaching:** for adjuncts with a bit of experience (as determined by your chair)

Both of these shells will open on September 4 and close on October 16. Faculty are welcome to complete the requirements at their own pace, as long as they complete the course by October 16.

Both courses offer, as compensation for completion, a promotion to the next level of adjunct pay (\$200/three-hour class increase). This pay increase takes effect the semester after completion. However, an adjunct who completes the Foundations course must wait a year before taking the Advanced course. In other words, if you complete the **Foundations** course in Summer 2017, you would be eligible to take the **Advanced** course in Summer 2018. Also, the adjunct salary cap remains in effect. So, if you are currently capped on pay, you are welcome to take a training class, but will not be eligible for an increase.

Additionally, the courses are somewhat customizable, comprised of both required modules and elective modules, so that you can choose the content that best fits your training needs.

This fall's sections include modules on Anticipatory Sets (new as of Summer 2017) and Writing Sound Test Questions (new as of Fall 2017).

Chair approval is required for either course. To enroll in either course, please ask your department chair to email Nicole Frank at nmfrank@fhsu.edu and request that you be added to the appropriate class.

Scope & Requirements Management

October 24 & 25; 9:00am to 4:00pm
Sternberg Museum

Managing scope on a project is one of the most difficult and demanding jobs of a project manager. Pinning down the project scope starts with a clear understanding of the needs and expectations of the key stakeholders. It involves more than

just knowing what needs done. It also requires knowing what not to do and how to manage the changes that inevitably come up during a project.

In this Management Development Center Workshop, participants will work in teams to develop a project charter, gather requirements, write a scope statement and create a Work Breakdown Structure (WBS), as well as learn to manage scope once the work begins.

This workshop is facilitated by Christina House. Please view the full details on our website:

<http://www.fhsu.edu/cob/mdc/Scope-and-Requirements-Management/>

Because we partner with the Wichita State University Center for Management Development, this workshop is not complimentary to FHSU employees. However, you or someone you know, can register online here:
